News 9 new results for hydraulic fracturing

Hydraulic Fracturing-Related Health Concerns Linger

Circle of Blue WaterNews (blog)

Evidence of water pollution — tied by some scientists to hydraulic fracturing — was found recently in Wyoming. Businessweek reported that the U.S. Environmental Protection Agency conducted retests of water in Pavilion, Wyoming, after a disputed ...

U.S. Oil Production Is At Highest Level Since 1997; Yet Gas Prices Remain ...

ThinkProgress

A combination of horizontal drilling and hydraulic fracturing, or fracking, has helped reduce America's reliance on foreign oil. The same technology unleashed a boom in natural gas output from shale that pushed inventories to a record last year. So ...

U.S. Silica 'Well Positioned' to Meet Fracking Sand Demand

Rigzone

Despite weakness in the U.S. rig count caused by the shift from natural gas to oil/liquids drilling, U.S. Silica CEO Bryan Shinn anticipates demand for the company's sand in hydraulic fracturing to grow by 15 to 20 percent this year, and sees a ...
